2. Involving the Public

China Unveils Anti-Corruption App, Asks Public To Upload Pictures Of Corrupt Officials

By Duncan Hewitt
@dhewittChina  on June 18 2015 6:00 AM EDT

China has launched a new app to allow the public to upload pictures or other evidence of corruption. In this photo, two chefs (R) look at their smartphones as customers eat outside a restaurant in Beijing on June 16, 2015. Getty
3. Leveraging Technology
### 4. Using Targeted Instruments
