#### Was asked to Pay a Bribe of 500 for Police Verification

Police | Police Verification for Passport | Paid INR 500

Reported on October 15, 2015 from Howrah, West Bengal | Report #79262

The police officer was creating numerous problems regarding birth place, deeds of the house of birth, id cards. Wanted an affidavit about birth home etc. On getting the affidavit, i was told that he needs money to let it GO to the next stage. On getting the money, his tone changed. He said everything would be done. We need tot worry.

Was there an option not to pay, maybe yes. But is it possible for the working professional to knock on these corrupt people everyday, when they know that no ACTION would be taken against the. Incident took place at Uttarpara Police station. Was paid to the person who handles passport verification
