# Agenda Action for the Greatest Challenges of Humanity & Planet

## SUSTAINABLE DEVELOPMENT GOALS

**“No one left behind” : the imperative core principle of SDGs**

# SDGs: Everyone's Commitment

SDGs is commitment of the world community for a better planet

Indonesia is committed to implement SDGs (national & sub national)

All stakeholders committed to SDGs : government, civil society organizations, bussiness & philanthropy, and accademia

Legal basis: Presidential Decree, National and Sub National Action Plan, and SDGs roadmap

# Reducing Inequality with a New Lense

Inequality is the focus of Goal 10, disparity is one of indicators

**Gini Ratio 2010-2017**

SDGs sees inequality in broader perspective :

- Income inequality
- Education inequality
- Health inequality
- Gender inequality
- Region inequality, etc

SDGs provides solid foundation to facilitate in reducing inequality with sustainable way . It needs interdependency & simultaneous actions.

# Synergy of All Stakeholders

- Learning from MDGs : government has limited resources & capacity
- SDGs facilitate the synergy of all stakeholders to share resources (blended finance), experiences, knowledge, etc
- Trust building, equal partnership, participation, accountable and mutual benefit are keys of synergy
- SDGs is a joint movement (*gerakan bersama*) of all stakeholders
